Refer to: St. Clair County - Sauget/Clayton Chemical Co.
Permit No. 1979-19-DE

October 16, 1979

Mr. B.R. Haney
10 South Brentwood Blvd.
Clayton, MO 63105

Gentlemen:

Permit is hereby granted to Mr. B.R. Haney to develop a solid waste management site consisting of 4.13 acres in Lot 304, Cahokia Commons, T1N, R10W, 3rd P.M., St. Clair County, Illinois, to store and process liquid special waste, all in accordance with the application prepared by Michael Rapps, P.E.: Said application consisting of 29 pages and one plan sheet, all dated July 19, 1979, and received by this Agency on July 20, 1979.

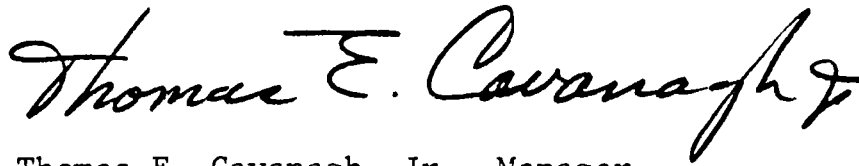

This permit is issued subject to the standard conditions set forth on page 3 attached hereto and incorporated herein by reference, and further subject to the following conditions:

1. Each special waste stream accepted at the site shall be permitted through the Agency's supplemental permit system, and upon delivery, shall be accompanied by a special waste manifest.
2. All wastes generated at your facility shall be properly transported to an IEPA permitted solid waste management facility. Special wastes generated at your facility shall be delivered to the facility accompanied by a special waste manifest.
3. Your proposed on-site incinerator shall be constructed in accordance with all terms and conditions of your Division
